

Historical Fiction: A Ranchers Dream - Victorian American Western (Creeds Crossing Historical Book 2)

Widowed and raising a young daughter by himself, Tiago has only one goal to work a ranch of his own and build a future for his small family. When fate deposits a young woman in his path, he believes he has found the help he needs to care for his child as they journey to their new home in Creeds Crossing. On the run for her life, Ingrid needs to get as far away from Texas as she can. Her brother and father have been murdered, and those responsible would see her dead, too. Desperate, she accepts an offer to help Tiago with his daughter, but Ingrid's past can destroy everything Tiago is working for. Worse her very presence places him and his daughter in peril. Amid secrets and danger, a single father and an orphaned woman on the run must fight all odds to fulfill A Rancher's Dream. Don't forget to check out A Rancher's Woman by E.
