

## Creepy Comics #9 (Creepy Comics Vol. 1)

No rest for the wicked! Uncle Creepy doesn't need a summer vacation when he can spend the time scuba-diving through comics' darkest, murkiest waters. In this issue he's surfaced with a batch of our most fearsome features to date, as Doug Moench and Kelley Jones (Batman: Unseen) continue their tale of Lovecraft insanity, Doselle Young (The Monarchy) delves into the murderous side of parallel universes, Emily Carroll (His Face All Red) brings horror from a spooky kitchen knife. This issue also includes a reprint of Bruce Jones and Richard Corben's classic In Deep and debuts the Creepy Family comic strip from Dan Braun and Peter Bagge! \*48 pages of the finest in illustrated horror from Doug Moench, Kelley Jones, Doselle Young, Emily Carroll, and more! Creepy Comics ... should appeal to any and all fans of horror tales, not just old-school revivalists. -The Onions A. V. Club
