

Greek Cartoons about the Greek Crisis

From 2009 to 2015, for 6 years the Greek Crisis has been a global phenomenon! Everyone's asking: what's going on there and the crisis is still on, dammit? Corrupted politicians, bloodthirsty bankers, strict Europeans and idiotic prime-ministers are marching through these cartoons from 2011 to 2015, a guide for the Greek and European debt crisis for dummies, in order to answer this very question through the eyes of a Greek cartoonist who has lived this crisis from its start and (maybe!) till its end!
