

## A Deeper Magic (The Scottish Collection Book 1)

**A Man of Science ...** Rogue physician Ian MacNeill is intrigued by wild child Margaret Rose from the night they first clash in the Victorian streets of Aberdeen. When she is suddenly banished by her father, Ian hopes to forget her and delves into dangerous experiments that taint his reputation. An outcast, he voyages to a lonely Scottish island to practice medicine...the very place of Margaret's exile. **A Woman of Magic ...** Years might have passed since she was a broken, disillusioned girl, but Margaret Rose still remembers the charming, charismatic Ian. Now a warm, compassionate woman, she is shocked to realize that the handsome survivor she rescues from a shipwreck is the man who haunts her dreams. Once again she shuns his protection. Not even Ian can stop her study of the healing arts -- although she is taught at the hand of a known witch. But Ian is patient and persuasive...until he and Margaret join forces to defy society and confront the ghosts of the past. Only together do they find love and true magic... Suspense, emotion, and sensuality fill the pages of this classic Victorian romance from bestselling author Jillian Hunter.
