

A Skeleton in Gods Closet

When an ancient skeleton is discovered in Israel, will it shed new light on the life of Jesus or plunge the world into chaos? Dr. Jonathan Weber, Harvard professor and biblical scholar, is looking forward to his sabbatical year on an archaeological dig in Israel. But a spectacular find that seems to be an archaeologists dream-come-true becomes a nightmare that many fear will be the death rattle of Christianity. Carefully researched and compellingly written, *A Skeleton in Gods Closet* explores the tension between faith and doubt when science and religion collide. In the end, its a thought provoking page turner driven by one mans determination to find the truth no matter what the cost.
