After learning that there is no longer anything left of his family's fortune, William, the new Viscount of Westford, has finally had a stroke of good fortune by convincing the younger sister of the Earl of Blackshore to elope with him... Or so he thought. The Earl of Blackshore has eyes and ears everywhere and he will not allow his younger sister to be with a man who doesn't hold an ounce of affection for her. In fact, he is determined to make William pay for his plot, and pay dearly in the most unexpected ways. **WARNING:** This 4,988-word story is a steamy read that features hot gay M/M sex in a historical Victorian-era setting and explicit scenes that include oral sex, bondage, S&M action, anal sex, and may be too much for some timid readers!
