

# Healing the Past

Whole Brain(R) Inner Talk(R) is a patented technology that has been independently researched and demonstrated to be effective. All positive messages are delivered to the subconscious mind using a special shadowing techniques. These positive affirmation replace old, negative, self-limiting self-talk, and therefore enables you to find success in whichever area you choose. Whole Brain(R) Inner Talk(R) engages the power of your mind to work for you. It is extremely easy to use since you can simply play it in the background while going about your day. No special equipment is required. All you will hear is the primary carrier, either a musical format or an environmental format. Occasionally you will hear speaking in the background, but most of the time you will not be able to make out the actual words. All programs do however come with a complete list of the affirmations. Healing The Past - The past is over. Its lessons are learned. Its time to release it. This tape may help you.
