Ada in Europe

Second International Eurospace – Ada-Europe Symposium
Frankfurt/Main, Germany, October 1995
Proceedings

Springer

This book presents the refereed proceedings of the Second International Eurospace - Ada-Europe Symposium, held in Frankfurt, Germany, in October 1995.The 37 selected revised papers are organized in sections on Ada 95: the future, safety, language, applications, distribution, methods and tools, design methods, life cycle, real-time, and methods. Many significant features of the new Ada 95 version, officially issued in February 1995, are addressed. Besides Ada-specific problems, general software engineering aspects are also presented.
