

Anywhere Computing with Laptops: Making Mobile Easier

You bought your Centrino laptop computer because of its ease-of-use and portability. But are you using your laptop to its maximum potential? *Anywhere Computing with Laptops: Making Mobile Easier* will show you what to expect when buying and configuring your laptop and how to use built-in features such as digital cameras and Internet telephones. When you're on the road, there are hotspots that will allow you to connect to multiple national networks for access to data and the Internet. This book will show you how to find these hotspots, as well as how to install and configure a wireless network for your home or office. Use your laptop the way it was intended from anywhere!
