

## Prince of Faith (An Uncommon Whore Book 3)

Held captive against his will, Markus Dayspring wakes every morning with a thirst for revenge, and collapses every night with a prayer for strength. He lives on in spite of deadly addictions and a crippling, shameful secret. When he's rescued by a man from his past, his reawakened love threatens to crush his damaged soul. Caius also has a secret, one that could ultimately kill him. But his vow to rescue Markus is stronger than guilt, fear, and even his loyalty to King Helios. Too many have died because of Caius, and rescuing the missing prince might allow him to sleep without nightmares. Old habits are hard to break and new pain threatens their growing love. Yet one gleaming ray of hope continues to guide them to safety, even in the face of an unexpected violation of trust. With the stakes growing higher by the hour, Markus and Caius must learn to have faith before they can heal and face the future together.
