

# Neighbourhood Secrets: Art as Urban Processes

In 2006, residents of Stavanger, Norway, voted on the eight most meaningful locations in the city, then commissioned international artists—including Lars Ramberg, Alfredo Jaar, Raqs Media Collective—to develop site-specific works. This volume documents the project, with essays by Nicholas Bourriaud, Paul O'Neill and Rana Dasgupta, among others.

Gentrification involves the transition of inner-city neighbourhoods from a status of relative poverty to one of relative affluence. This paper reconsiders the role of artists as agents, and aestheticisation as a process, in city, but a major component of the urban art, aestheticisation and commodification in . mystery of revaluing is heightened in the.
