

# Paranormal Mystery Series ( 6 in 1): Vampire, Bad Boy Billionaire, Shifter and Detective Stories (BBW Contemporary Cozy Mystery Alpha Male Bundle)

Paranormal Mystery Series ( 6 in 1) Book One: Memory Bites A young boy hovers near death in a hospital room, his overly doting mother at his side and a calming voice that he hears in the mist of his unconscious mind. He recovers and is visited by the mystery woman. The boy goes through some major life changes including being allowed to go to school like regular kids and getting in his first fight. And, as he grows closer to his strange friend more changes keep coming.

Book Two: Memories Bite Harder Annalissas quiet but quite resolute refusal of his marriage proposal hung in the air. He tried to ask several questions, all of them meaning the same thing and choked on every word. Finally, tired of his wild, staring eyes and the sound of the panicked thud of his breaking heart, she just sighed and disappeared leaving the room infinitely colder in her absence.

Book Three: Blackmailed Drew is back from a three month backpacking trip, when her mother tells her that she has found the love of her life and they will soon be married. Drew is shocked, but happy for her mom. After meeting Charles, she is even more certain that he is just perfect for her. Everything was not perfect though and when she met her soon-to-be-stepbrother, Drew was having a lot of mixed emotions.

Book Four: Count Dorkula, I Presume? A short story with fast pacing and a lot of heart, Count Dorkula follows a greatly misunderstood surgeon and his new assistant as they go from just a very good team to a couple. Unfortunately for them, the jealous staff of their small hospital is not thrilled with this development especially the nurse who had thought that she would be the one to end up with the tall, dark and mysterious doctor. After the nurse pushes too far and loses her job she sets a whole new plan in action, one that can end up being the difference between life and death unless the brilliant doctor

can put the pieces together and get to his lady loves side quickly enough. Book Five: Tamed and Claimed Katie is fresh out of college and still trying to find her first job. With a tough economy, Katie is desperate to get some income coming in before the last of her savings runs out. Being offered a job for an up-and-coming construction company, seemed like a sweet deal, until she learned the truth about her new boss and his many demands. Jake doesnt play the part of the rich man well. Instead of suits and sports cars, he is happier with T-shirts and his old pick-up truck. When he meets Katie, all Jake can think about is taming the wild woman. The fact that she didnt want a man, made him want her even more. Will Jake be able to convince her to play or will his game just be too much for Katie? Book Six: Moonlight Sonata Katie was a player and a waitress. She used her table waiting to find her prey and reeled them in with her amazing brown hair and stellar body. It had gotten her cars, jewelry, money and anything else she wanted, but she never once found love. She was pretty sure she did when she met Steve, a soft spoken young man who came in every day for a cup of coffee. He was shyer than most, and he couldnt quite say what she knew he was thinking, so he tried to drink to do it.
