

Fifty Shades of Dorian Gay: Part Two, Dorian Unleashed (The Dorian Gay Trilogy Book 2)

Dorian smiled as he pushed Adrian to his knees, the boy had been so prim and proper when first they had met. Hed been resisting Dorian for weeks now, and finally taking him would be a wonderful pleasure. Dorian pulled off the young mans trousers, he ran his hands over the perfect pink skin, parting the cheeks to reveal the little bud pleasure. Adrian moaned, but you- you- you do love me dont you Dorian? You wouldnt take me without loving me would you? Dorian smiled, with a face like mine? I could never be so cruel. In book one Dorian Gray was introduced to the intoxicating world of domination by the powerful and virulent Lord Henry Wotton, but in book two he finds that there are all sorts of ways to enjoy the pleasures of the flesh, and among the eligible young bachelors of London theres not a one who can resist his charms. When Dorian meets Adrian Singleton he knows that despite his protestations the lad is ripe to be taught the agonizing pleasures of submitting to a master. As time goes on Dorian finds himself changing and though his exterior appearance still shows the ruggedly handsome face of a charming gentleman, the strange and magical portrait that he keeps locked up in his attic, reveals something much, much darker. The following story could be read as a standalone, it contains a forceful blowjob and graphic, first time, unprotected, anal with a powerful and dominating older man.
