

Beyond the Indian Act: Restoring Aboriginal Property Rights

The authors not only investigate the current forms of property rights on reservations but also expose the limitations of each system, showing that customary rights are insecure, certificates of possession cannot be sold outside the First Nation, and leases are temporary. As well, analysis of legislation, court decisions, and economic reports reveals that current land management has led to unnecessary economic losses. The authors propose creation of a First Nations Property Ownership Act that would make it possible for First Nations to take over full ownership of reserve lands from the Crown, arguing that permitting private property on reserves would provide increased economic advantages. An engaging and well-reasoned book, *Beyond the Indian Act* is a bold argument for a new system that could improve the quality of life for First Nations people in communities across the country.

Beyond the Indian Act: Restoring Aboriginal Property Rights eBook: Tom Flanagan, Christopher Alcantara, Andre Le Dressay: : Kindle Store. In his latest book, *Beyond the Indian Act: Restoring Aboriginal Property Rights*, University of Calgary political science professor Tom Flanagan, along with Wilfrid Editorial Reviews. Review. You don't have to travel to Zambia or Peru to see dead capital. All you need to do is visit a reserve in Canada. First Nation people While land claims made by Canada's aboriginal peoples continue to attract attention and controversy, there has been almost no discussion of the ways in which First Nations lands are managed and the property rights that have been in place since the Indian Act of 1876. The authors of *Beyond the Indian Act* have the ultimate goal of removing all tribal lands from Indigenous control. The goal of Flanagan and his coauthors is not to restore property rights to aboriginal peoples, but to remove their tribal rights to control their own lands. Long promised, now available! *Beyond the Indian Act: Restoring Aboriginal Property Rights* Tom Flanagan, Christopher Alcantara, and Andre Restoring aboriginal property rights will enhance economic activity on reserves and create more jobs and business opportunities for first Foreword by Manny Jules. *Beyond The INDIAN ACT.
