

Bitter Spirits (A Roaring Twenties Novel)

It's the roaring twenties, and San Francisco is a hotbed of illegal boozing, raw lust, and black magic. The fog-covered Bay Area can be an intoxicating scene, particularly when you specialize in spirits. Aida Palmer performs a spirit medium show onstage at Chinatown's illustrious Gris-Gris speakeasy. However, her ability to summon (and expel) the dead is more than just an act. Winter Magnusson is a notorious bootlegger whose more comfortable with guns than ghosts unfortunately for him, he's the recent target of a malevolent hex that renders him a magnet for hauntings. After Aida's supernatural assistance is enlisted to banish the ghosts, her spirit-chilled aura heats up as the charming bootlegger casts a different sort of spell on her... On the hunt for the curseworker responsible for the hex, Aida and Winter become drunk on passion. And the closer they become, the more they realize they have ghosts of their own to exorcise.

Jenn Bennett is an award-winning artist and author of the Roaring Twenties novels, including *Bitter Spirits* and *Grim Shadows*, as well as the (Note to rule-breakers and reading renegades: Each book can be read alone or out of order, but if you want to do things properly, start with *Bitter Spirits*.)
