Chris and Naomi are a young, hot twenty-something couple active in what participants call The Lifestyle. That's a codeword for the swinging lifestyle. As a couple, they take turns deciding what they are looking for in their forays into the darker side of their sex life. Tonight is Naomi's turn. She decides that she wants a MMF threesome, with Chris and another man. At the local club, they run into a dark, mysterious stranger from out of town. With women drawn to him like flies, he settles on the gorgeous and sexy Naomi. Another rule for their swinging life is to always practice safety. But that rule faces a challenge when their hard-and-fast rules come into conflict with the well-endowed stranger. See what happens when the swinging couple, that always tried to play by the rules, comes into conflict with the charming, handsome but dominant stranger who unexpectedly came into their lives. All characters are 18+ and consenting adults. Contains scenes of breeding sex, graphic sex, interracial sex, voyeurism, cuckolding, domination, humiliation, and lots of impregnating creampie!
