

Blaze (Steel Riders M.C. Book 1)

Ride hard. Live free. Blaze has been a patched member of the Steel Riders for twenty years, and the Sergeant at Arms for nearly half that. Free booze and plenty of women to spare, but whats a grizzly to do when the party is over? Luna Sylvestro escaped the Desert Dogs M.C. five years ago, but her past has come back to haunt her. When mysterious phone calls turn sinister, she knows her time is running out. If she doesnt find a way to keep out of her brothers clutches, overdue library books will be the least of her problems. When Blaze realizes the sexy librarian needs some muscle, hes only too happy to provide it - at a cost. He doesnt just want the woman in his bed, he wants to put his mark on her, because everyone knows you never come between a grizzly and his mate.
