

Block Wonders: How to Build Super Structures in Minecraft

Block Wonders is the ultimate guidebook for seasoned Minecraft players eager to take the game's creative mode to the max, presenting more than 30 of the most spectacular buildings, structures, and objects created by master Minecraft builders. This guide includes step-by-step instructions as well as interviews and tips with representations of ancient wonders, modern landmarks, and icons of transportation, as well as fantastic structures and working contraptions. Architectural gems such as the Colosseum, Beijing Stadium, and Taj Mahal are featured alongside gamer favorites like giant floating dragons and incredible panoramas of fantasy worlds. From the pyramids of Giza to a perfect space shuttle replica, these enormous projects are showcased in full color. A companion volume to Block City, Block Wonders demonstrates why this global phenomenon has captured the imagination of over 36 million gamers around the world.
