A BESTSELLER! The Blyss Trilogy is part of a carefully orchestrated, organized game, and is driven by much bigger and darker forces. A very complex and original plot! Two sexy, ruthless men...one innocent female caught in the middle. Sexual tension, danger and intrigue will keep you on your toes! Blyss is something the world has been trying to create since the beginning of time, the ultimate aphrodisiac, a drug used against women with one single purpose in mind.... A carefully orchestrated and intricately organized sex game. Two sexy, ruthless men...one innocent female caught in the middle. Prepared to spend the summer back at home, Julianna Oakleys plans take an unexpected turn for the worse. She's become Nick Palcini's ultimate obsession, and he will stop at nothing to have her. Dangerous and controlling, Nick has been setting the stage for a long time, and sparks fly when their separate worlds collide. But Nick didn't bank on one thing: Julianna's fiery, independent streak. She'll fight him at any cost. When Travis Jackson, Nick's right-hand man, lays his eyes on the prize, all Hell breaks loose. He should know Nick is playing for keeps, and while Julianna is fighting for her freedom, a lifetime full of secrets and twisted perceptions slowly unwind as Julianna gets caught in the fray. Can Julianna adapt to Nick's game in an effort to escape the intricate sex scandal or will she succumb to her fate? Does either man have what it takes to tame her wild spirit?
