

Opposites Attract (BWWM Interracial OWYM Erotic Romance): A Bedtime Story Novella (Bedtime Stories Book 1)

They called her The Ice Bitch. Corporate exec Lana Holt is a notorious ball buster known for getting the job done and getting it done right. With her reputation and track record, she is perfectly positioned to become the next CEO of Renault Corporation, until the grandson of the owner, Harvard grad, boy genius, Matthew Renault snatches it right out from under her nose. Despite Lanas accusations, Matthew never once had his eye on her promotionbut he cant say the same when it comes to eyeing her. For two years, Matthew has subtly pursued Lana, but it has gotten him nowhere. Oblivious to his attraction, the older woman treats him with cool indifference, dismissing his attentions as a school boys crush. Undaunted by her chilly demeanor, Matthew is patient, believing he has plenty of time to show her the error of her ways. But after losing out on her promotion, Lana abruptly quits, and Matthew knows if he lets her walk out of those office doors, hell never see her again.

In a risky power play, he makes a bold threat that Lana cannot ignore. Patient and subtle no more, Matthew is no longer content to allow Lana to dismiss the deep connection between them by trivializing his interest to that of a boys. Forced to work long hours and in close quarters, Matthew is unapologetic in his seduction of the notoriously icy corporate exec, when desire ignites from the first touch, forcing her to acknowledge Matthew is definitely full-grown, and without out a doubt all man. But while Matthew may have finally compelled Lana to admit they share an undeniable sexual chemistry, when she uncovers the depths of his deception, he knows he must convince her that despite their differences and everything hes done, they are perfect for each other and his feelings for her are real, or he could wind up losing her for good this time.
