

Falling for Trouble

Sophia Kidd has been in love with her best friend Abe Rochester since they were children. With both of their pasts scarred, the only people they can rely on are each other. Unfortunately, Abe has never shown interest in her as more than just a friend. Known as Trouble in their town, Abe enjoys women, bar brawls, and liquor and not in that particular order. When one night of drinking results in Sophia and Abe in bed together, she finally has hopes that the man she loves returns her feelings. But when dawn arrives and Abe has no recollection of their passion, humiliation has Sophia fleeing. She can't run forever though, especially when she finds out she is pregnant. Sophia has no idea how to tell Abe that he is the father when he doesn't even remember sleeping with her.
