On the run from the overwhelming discovery of her origins and the heartbreak of Rafe's rejection, Rowan stretches her new wings to the point of self-destruction. She has to make a decision: rejoin humanity and reject her nature, or embrace her race and help them overcome a millennia-old set of laws. But none of that matters to her without Rafe's love. Meanwhile, Rafe is destroying himself over the regret of not telling Rowan how he truly feels, but dragon law would not have allowed him to mate another dragon. He hunts the farthest reaches of the Earth to find her, hoping that she will agree to help their race, but longing even more to finally confess to her whats truly in his heart.
