I took in a deep chest-swelling breath - and I leaned forwards slightly, asking as I did, Officer, really, isnt there any way I can... He looked towards me again - and then downwards. An idea leapt into my head. I wriggled my shoulders to put a bit of a bounce into my chest as I said with another small laugh, Theres no way that I could perhaps pay off that uh, that fine you were talking about, maybe, just up front?
