

## Yes, Sir: The Dirty Diary of a Billionaires Au Pair (Dd/lg first time backdoor erotica)

Hired as an au pair by rules-driven and handsome English billionaire Colin Kensington, bookish graduate student Lillian Winters embarks on a summer of European travel far from the libraries and study halls of school. But Lillian soon finds Colins strict ways and formal attitude invading her every thought and desire. On their first night in Paris, shes caught in the act by her dark and mysterious employer as she apprehensively watches an exhibitionist couple on the balcony across from hers. As Colin takes matters of discipline into his own hands, Lillian discovers that rules arent the only thing firm and rigid about Colin! Submitting herself to his will, Lily learns the importance of rules and conduct as she confronts her own ideas of shame, lust, and desire under a hot Parisian summer night.
