

Awaken: A Sci-Fi Alien Romance

In Josie's family, pulling a Josie meant becoming a major screw up. Yep. She was the idiot who dropped out of law school to clean other people's houses. Still, Josie doesn't believe herself a failure. She lives a life of simplicity and sameness with her cat. Then Torgan shows up, his skin a luminescent silver, a being out of this world. He seeks a purpose on Earth. He seeks a guide. But what he wants most of all is to make Josie his.
