

Packing It In (Paranormal Shifter Erotic Romance)

She wondered if she was nuts. Class ended, and she resolved to stop thinking about him. I dont even know his name! she yelled in her head. College. That place where high school outcasts forge new lives. Christine had always been the overweight girl, picked on and unloved. When she met Scott, it was love at first sight. But when he sneaks away a month into their relationship, she follows and learns theres more to him than she would have ever imagined...
