Harry and his boys, Liam and Noah, had turned our household into a secret, underground world of seduction, training and discipline. I'd been inducted as their little pet, their toy, and I was used in every way you could imagine. Some might say it was wrong of them to use me in such a way, but I loved every minute of it. And it has led to the most erotic moments of my life, which you will read about in this explicit 4-story box set! Read the complete Our Household Secret Box Set, including all four stories: Our Household Secret: My Initiation Our Household Secret: My Training Our Household Secret: My Bondage Our Household Secret: My Punishment
