

The Master, the Madame, and the Mistress: A Novel (BDSM Domination Erotic Romance)

Growing up in an Iowa farming town, Amanda has always dreamed of living in Paris. But reality eats dreams for breakfast, and when she heads for France instead of college, she soon finds herself down on her luck in the City of Light. She has one last hope - to land an au pair job. Sophisticated, wealthy, and beautiful, Fabien and Monique Perreault seem like the perfect Parisian couple. But when they hire Amanda as their au pair, she quickly discovers that both husband and wife harbor secret passions, and she's the only outlet for their lust! Soon she's caught between Monique's hidden wild side and Fabien's need to dominate everyone around him. As Paris turns from a dream to a trap, Amanda falls for a young man who seems to know her very soul. She has every reason to run, but can she face her fears and find a reason to stay? This novel contains explicit adult content and intense sexual scenes, including the domination of an innocent young woman by a wealthy alpha male, lesbian and MFF encounters, bondage, toys, voyeurism, and rough passion!
