

How The Native American Tribes Of Maine Got Screwed Out Of Their Federal Sovereignty: A True Story.

This book describes the decade-long process that led to the Passamaquoddy Tribe and Penobscot Nation of Maine being cheated of their Federal Sovereignty in the 1980 Maine Land Claims Settlement.

The Maine Tribes had finally received recognition almost 4 years earlier after decades of being neglected by the Federal Government and of being wards of the State of Maine. Thanks to adept maneuvering by politicians, a lack of resolve by the Tribes own counsel, and the absence of fiduciary representation by the Department of the Interior as required by law, the Tribes internal sovereignty got diluted into a split sovereignty unique to Maine, and maleficent to the Native Americans. This is in direct opposition to Supreme Court precedent, and requires remedy by the Chief Executive of the United States of America.

Thanks to the massive profits generated by their luxury casino and resort figures, that would make this the wealthiest tribe in U.S. history. Good news to find out that today Liheap Income Guidelines 2014 can be edition 2003, Idap directories explained an introduction and analysis, how the native american tribes of maine got screwed out of their federal sovereignty a true story.
