

## Orchid Carousals

These sensual stories from award-winning author Lucy A. Snyder offer darkly fantastic seductions that weave sexy spells through 13 hot reads. The tantalizing fiction you'll find in these pages includes a trio of new tales about characters from her Jessie Shimmer urban fantasy series. *Orchid Carousals* is chock-full of pure, unrestrained fantasypilling from the wildly fertile imagination of the author. If you're hungry for paranormal/futuristic plot-twisting stories with smoking hot sex scenes, read this book -- you won't be disappointed! - erotica narrator Lucy Malone This collection melds scorching hot erotica with truly creative fantasy and paranormal themes, a delicious combination made even more fun by the authors' inimitable sharp wit. - Darien Cox, author of *Edges*
