

Fulfilling the Blackmail (Forbidden, Taboo, Fantasy) (Satisfying the Man I Grew Up With Book 2)

18 year old Madison is back at it, and has been on top of the world ever since she slept with the man she grew up with, Brad. She cant stop thinking taboo thoughts about Brad after the amazing night she had at the college frat party, and is eager to text him the next morning. Unfortunately, her heart gets broken when she finds out through social media that Brad has just gotten back with his ex-girlfriend, Jill! Maddie cant stand for it, and immediately goes to Brads dorm to persuade him that they should have some more fun, and not let Jill ruin it. After Brad proves to be resilient, she kisses Brad and takes a photo of them in the act to blackmail him. Will Brad let Maddie send the picture to Jill, or will Brad fulfill the black mail and agree to Maddies terms?
