

Lord and Master - The Complete Series

Reed Masterson is your typical college student young, cute, and always short on money. When obligated to pay five hundred dollars a month to a hard-ass ex-military landlord, an empty wallet can cause a college boy to go to extremes to make sure the rent is covered. Recently separated from his wife, Trevor Lord is an older straight bodybuilder with an unfulfilled dominant streak. Late on his rent for the third time in three months, Reed finds himself at Trevor Lord's mercy. When the boy throws himself at his landlord's feet, Mr. Lord decides that it's time to teach Reed a valuable lesson and show him once and for all who is Lord and Master. After their encounter, Reed finds himself developing new and exciting feelings for the formerly straight Alpha top. Reed finds out more about Mr. Lord's true motivations and gets tangled up in his ropes, but questions are raised. The dominant man pushes the college boy's pain threshold to a new level. While determined not to let their age difference become an issue, Reed realizes that he's fallen in love with the older dominant. This work contains male-on-male dominance and submission, bondage, and spanking. The complete series contains the entire story all six parts in one volume.
