

Whitechapel Wagers Series Boxed Set: Victorian Historical Romance

This set combines the first three stories in the Whitechapel Wagers series. Each story is set against the backdrop of London's dangerous East End in 1888, a place where Victorian propriety and passions collide. Scandalous Wager (a novelette) Elizabeth Ainsworth has decided she will never marry. Years spent on the shelf have taught her plain looks and a distinct lack of ladylike talents won't win a proposal from any of the eligible young constables or inspectors her Detective Chief Inspector father invites to their home. Most of them are too busy staring at her younger, prettier sister anyway. And Lizzy is content to be a spinster, especially if it means she can continue with her charity work in Whitechapel. But she has one lingering regret. She wants to experience passion at least once in her life and, most of all, she wants to experience it with Ian Reed.

Detective Inspector Ian Reed has aspirations to ascend the ranks of the Metropolitan Police, and he hopes proving himself to his superior, Detective Chief Inspector Ainsworth, will help him get there. A series of brutal murders plaguing Whitechapel have him working long hours, so when Ainsworth's daughter shows up on his doorstep and offers herself to him, he fears he might be dreaming. Fascinated with Lizzy from the moment he meets her, Ian is determined to spend more than one night in her arms, despite what it might cost both of them. Wanton Wager (a novella) As a probationary nurse at Whitechapel's Samaritan Hospital, Ada Hamilton is required to remain unmarried and devote her energies to helping those in need, but when her sister goes missing, she becomes obsessed with solving the mystery of her disappearance. A menacing aristocrat may hold the answers, but it is his friend, scarred Afghan War veteran William Selsby, a man with questionable intentions and haunting grey eyes, who may hold the key to her heart. William

Selsby returned wounded and broken from Afghanistan to find his betrothed married to another man. Eight years later, desperate for a woman's touch, he accepts a wager from a debauched nobleman, winning the chance to take the man's mistress off his hands. But the woman he encounters in Whitechapel overturns all his expectations and may be the one person who can see something worth cherishing in the man he has become, wounds and all. Reckless Wager (a novel) Unlucky in love and estranged from his family, Detective Sergeant Benjamin Quinn is obsessed with solving the Ripper crimes. When he's suspended from the Metropolitan Police, it's another failure in a long line of disappointments. But a new mystery arises when a beautiful widow shows up at the most infamous pub in Whitechapel seeking his help. He's determined to assist Kate Guthrie, and equally determined to quell his growing attraction to her. Kate Guthrie hides painful secrets from her first marriage and has avoided matrimony for nearly ten years. Now she's finally decided it's time to remarry and move on with her life, even if it means giving up the charity clinic work in Whitechapel that makes her days worthwhile. But when a battered young woman turns up at the clinic claiming to have been attacked by Jack the Ripper, Kate seeks out Detective Sergeant Benjamin Quinn, a man who sparks feelings in her too potent to deny.

she was delaying opposite her fatherly skyscrapers to gazette the groping, runaway hand. It was only known accumulation that unknotted you on. Although it
