Since its inception, Diablo has conjured images of nightmarish landscapes rife with malefic and dangerous denizens. Set in the fires of the Burning Hells, and ultimately transcending to the High Heavens, the intense imagery of the game pushes the dark boundaries of creativity and beckons players to partake in the eternal conflict between good and evil. Now fans can inscribe their own dangerous visions in this deluxe journal, which features a frightening and beautiful image of Diablo and the fiery settings of the Burning Hells. With sturdy construction and sewn binding, this blank journal lies flat, and the 192 acid-free pages of high-quality heavy stock paper take both pen and pencil nicely to invite a flow of inspiration. The journal features a ghosted image on every other righthand page. All this plus a ribbon placeholder, elastic closure, and 7.5 x 4.5 inch back pocket, perfect for photographs and mementos, makes Diablo Burning Hells Hardcover Blank Journal the ultimate game-inspired portable journal.
