

## Filthy Witch (My Messy First Time)

Her Magical First Time! When wannabe witch Angie gets humiliated by Jack, the quarterback, she finds herself experiencing an unexpected magical, and sexual, awakening. A trip to the counsellor convinces her to play around with her new powers a little more and she soon discovers that a little knowledge can be a dangerous thing as both her and the older man become overwhelmed with uncontrolled lust. But it's not until Jack stumbles upon the two of them together that things get really interesting and the naive witch is deflowered in a spectacular (and messy) fashion. Please note that this 6000 word erotic story is strictly for adult readers.
