

## Horns for the Harem Girl (Paranormal Alpha Male Shifter Romance)

Since joining the harem, Helena has been surrounded with luxury and extravagance. But, she's not sure of much anything herself included. What does it mean to be a harem girl? Are her dreams as she knew them over? And how in the hell is she supposed to tune a harp? Love is a distant thought. Helena's more concerned about learning to survive in the new world of palace life... that is, until she glances at the young prince of Salomana, and finds him gazing right back, his gold-flecked eyes burning a hole straight through to her heart.

Arad is tall, wild, and has a pair of curled horns to match his machismo. He's never considered settling down... until a mysterious woman he's never noticed catches his attention. Entranced by her curves, her eyes, and the way she moves, Arad isn't about to look away, even if she catches him staring. But in a kingdom going back a thousand years, love is never simple. She's a commoner. He's an ibex-shifting royal, destined to be king. For Arad to take Helena as his wife would be akin to blasphemy. When he decides he must be with her forever, Arad knows the old ways must have to go. If that means he has to topple a kingdom, so be it. He won't stop until he has her, and can calm the ache in his heart. Will their love survive the fires of revolution? Or will Arad and Helena be swallowed up in a world of politics and intrigue that neither ever wanted?
