

Lawrence and Elisa

Lawrence is a doctor who has spent the past few months away from his dear love Elisa. When he hears that she may have fallen for another man in his absence, he is heartbroken. Elisa must convince him that he is mistaken, and what better way to show a man you love him than by throwing him down on the bed and riding him hard? [Warning: contains explicit descriptions of sex and oral sex!]EXCERPTLawrence, she said. He looked up at her, panting with unabashed want.Yes? Elisa?She leaned close to him and he could feel her breath on his ear. I want you to take me.Lawrence thrilled upon hearing the words. He felt himself break away from his worries, from himself. His heart tore wide open and he wrapped his arms around Elisass hips, twisting to press her down into the mattress. Pushing up the hem of her skirt, he rolled down her panties and flung them to the other side of the room. She tilted her head back, showing him the smooth white line of her neck.
