

# Photojournalism: The Professionals Approach

Photojournalism: A Professionals Approach, 6th edition blends insightful interviews with professionals, practical experience, current equipment and camera technology, and high-impact photographs to create the definitive book on photojournalism. The DVD features footage of working professionals handling on-the-job challenges. This revised edition features information on new laws affecting photojournalists, new trends in multimedia to keep skills competitive, and as the world grows smaller, a look back at some international history in the photography world. Updates throughout the a imaging chapter, feature pictures, picture editing, ethics, law and wartime censorship keep this book the bible it is known to be. More interviews and case studies with industry greats result in a stunning and dramatic showcase of the best of photojournalism.
