

Eternal Chanel: An Icons Inspiration

This ultimate Chanel book, Jean Leymarie's classic monograph on Coco Chanel is back in print once more. Completely revised and updated since its publication in 1989, this book provides a general overview of Chanel's creative history, from her early days, when she mingled with Jean Cocteau, Igor Stravinsky and Luchino Visconti, to the development of her legacy after her death by Karl Lagerfeld.

Coco Chanel was a paragon of what it meant to be a modern woman decades before the term feminism entered our vocabulary. This biographical account *Compra Eternal Chanel: an icons inspiration.
