On sale for \$0.99 (regularly priced at \$4.99) to celebrate the release of the 4th book in the Eden Series, Correcting Lil Kate. My desire to dominate isn't unlike your desire to submit. But my desire to dominate is stronger than what most partners are willing to allow. I'm one of those rare men who want to not just correct and train, but to coddle, guide and control. I require a deep submission—the ultimate submission. I desire a woman who can fall back into that purest trusting state, that age of perfect innocence when her Papa was her whole wide world. I want a woman whose dependence is total—from the time I wake her up to the time I put her to bed. That level of care? That, sweet Mandy, is my calling. And for all my wealth—and it is substantial—I will not feel truly rich until I find the woman strong enough to put herself in my care. Amanda Wingate is the failed product of what should have been a charmed life. Adopted into a family of wealth where she wasn't truly wanted, her desire for paternal acceptance made her prey to a dominant man whose betrayal landed her in prison. When she is selected for a program designed to reform non-violent prisoners, she has no idea that the backers are actually a group of powerful men who select women for clients looking for Little Ones to train and claim as their own. Ethan Sharp has everything—looks, wealth and a successful business. What he lacks is the connection he has given up finding among women in his social circle. When he is directed to the Eden Institute, he believes he has found the answer. But will his pairing with the emotionally vulnerable Amanda Wingate be successful? Ethan is eager to earn her ultimate submission. And with the help of a stern nanny, he begins the loving and sensual task of transforming Amanda into Mandy through equal measures of spankings and sexual submission, which includes making her submit parts of herself

she never thought possible. Can her journey into deep submission heal Amandas heart and give her the security thats eluded her all her life? Becoming Lil Mandy is a story told against the backdrop of the Eden Institute, which features interplay with other couples in a lifestyle thats become a source of literary fascination for thousands of readers who enjoy tales of intense submission.
