[Siren Classic: Erotic Paranormal Romance, shape-shifters, spanking, food play, HEA] Rebecca Morgan thinks she knows what she wants out of life, until her life plan goes to hell in a handbasket. Now she is out looking for adventure. She just doesn't expect to discover a shifter-only town and one six-foot-eight, grumpy, bear-shifting sheriff named Aleksander Arkadion. Aleksander Arkadion only wants to date shifter females after working a brutal homicide case that has him returning to the shifter-only town of his youth. Which is why he is curious to discover a human in town and shocked when he realizes the tiny woman is his mate. As the attraction between them grows, Aleks realizes that he can't stay away from the petite female, but the realization may come too late. Although her body was never in any danger, he may have destroyed her heart by pushing her away. Now he has to convince his mate he really does want her while keeping her safe from rogue hyenas bent on taking her. \*\* A Siren Erotic Romance
