

## Retraining the Dom (Battle of Wills Book 2)

Club Allure has a retraining program for Doms, and Trey must go on it. However, he is much too strong a Dom to let anyone else order him around. The owner of the club comes up with the idea of asking an older and extremely experienced Domme to retrain Trey, and try to understand his hidden past. Unlike the Dom, Olivia sticks to the rules, and is also very imposing physically. What no one knows is that Olivia is a sub at heart, but through circumstances became a Domme. She has to try to stop Trey topping her, but he is everything she ever wanted in a Dom and a man, except too many years have passed. Meanwhile, Trey finds himself having fun with a woman for the first time ever and gradually recognizes the sub in Olivia. But when Dom challenges Domme, who will win?
