Years ago, the Bell children saw their mother leave one day, never to return. Caught in a lifetime of shadows and secrets, her disappearance haunts them like nothing else. That is, until they meet the ones who set their lives ablaze with love and passion. Nothing is more important than the truth to the Bells except for taking the pain away with pleasure. Burn for Me Tate Bell wants nothing more than to be with Ali. Scarred as a teenager long ago by the disappearance of his mother, Tate aches to spend his days and nights with the woman he's loved for years. Ali's heart pines to be with Tate, but her head has reservations. Tate has never gotten over the fight his parents had right before his mother left the house and was never heard from again. Angry at his father, Tate cannot get over the fact that Ali thinks he should give his dad a break. Nevertheless, the heat that blazes between them is undeniable, and Tate is left to wonder can passion conquer all? Break for Me Jensen Bell had twelve happy years before her mother disappeared and her whole world went to pieces. Since then, she's become a cop who takes great pride in her work, and in helping keep others safe. The saving grace in her own life has been Dean West, the only man who can make her burn with desire and help her through her burdens. But when a shocking discovery turns her life upside-down, even being wrapped in Dean's arms might not be enough to keep her out of harm's way. Long for Me Christina Bell remembers what it was like to be part of a loving family. The youngest of the Bell children, she simply cannot believe that her dad, or anyone else she loves, had a hand in her mother's disappearance. She's looking forward to moving on and spending more time with her sexy best friend, Guy Miller, who she is starting to see in a whole new light. Their attraction sizzling and love deepening, Christina feels confident in her

life and ability to handle what comes her way...But when Nicholes body is found and the mystery of her death slowly reveals itself Christina is left not knowing who to trust. What if Guy, her one true desire, proves to be her biggest danger?
