A big new rack, platinum blonde hair, a new nose, new cheekbones, eyelash implants, butt cheek implants, a short skirt and a pair of eight-inch heels later, I was standing out on the corner of Davie and Howe, where Frankie came every night to pick up the nights entertainment. --- Michael, a drug-runner for the infamous billionaire drug-lord, Giorgio Valentine has secretly been undercover with the FBI for five years. After five years of working his way up, he knows exactly where the evidence he needs to close the case is being kept: Valentines bedroom in his billion dollar estate. The only issue is, the only people who go into Valentines bedroom are Valentine, and his stunning blonde prostitutes. With a little help from an ex-con Michael put behind bars years earlier, for performing underground plastic surgery and sex-change operations, Michael is about to go deeper into Valentines drug operation than he ever has before. All the characters in this work of fiction are over the age of eighteen.
