

Her Rock Star Dragon: A BBW Paranormal Romance (Her Biker Dragon Book 3)

This Rock Star shifter lives for his music and fights for his love. The badass dragon shifters of the Iron Claws motorcycle club will risk everything for the people they love. Cast out from their dragon clans, they must use their cunning and strength to defy the laws of their people and stay one step ahead of those determined to keep life-saving cures out of the hands of humans. Punk rocker Caesar de la Vega is a dragon shifter on the cusp of his big break. While performing a gig, he unexpectedly spots Nina, a one-night-stand from five years ago he can't forget. But everything changes when a record label offers him fame, fortune, and a world tour which would send him far away. With his motorcycle club in constant peril from the Dragon High Council, Caesar must choose between stardom and those he loves. Nina Alvarez is a successful freelance programmer who loves the freedom of her nomadic life. When Nina notices her old flame is back in town, she can't resist checking out the sexy rock star from her past. When he shows he still cares about her after so many years apart, Nina believes they may have something special. But with danger closing in on the Iron Claws, can Nina still be a part of Caesar's world? This steamy novella for adults features power ballads, slippery assassins, and a romance that rocks.
