

Hide With Him (BBW Paranormal Erotic Romance (#2))

Lynne Hill is a girl haunted. Not by her past or circumstance, but a darkly handsome man. His passion and interest in her is something from her wildest fantasies, but can the big, shy girl handle living those unspeakable dreams out? Under his dominating gaze, she might not have a choice. Giving in to temptation and playing his games, even in public, she's starting to doubt she wants a choice. It's a dangerously sexual game Lynne is playing, but she may not be able to stop.
