

## My Wild Highlander (Highland Adventure Book 2)

Lady Angelique Drummagan, a half-Scottish, half-French countess, has suffered much pain and betrayal in her past. She wants nothing to do with the sensual Scottish warrior that the king has ordered her to marry because the rogue could never be a faithful husband, but she has little choice in the matter. Dangerous, greedy enemies threaten her from all sides and she is in dire need of his protection. Sir Lachlan MacGrath, known as Seducer of the Highlands, possesses a charming wickedness and canny wit which has earned him much popularity. After the king decrees that he wed the fiery hellion, Lachlan discovers there is one woman who can resist him: Angelique. Can he break through her icy facade and melt her heart, or will the dark secrets lurking in her past not only cost them their future together, but their very lives? \*\*\*
