Their Bold Sub is Book 6 in the Club Alpha Cove series. This is a stand alone, full-length novel. However, to enrich your experience it is recommended that you read the Club Alpha Cove series in order. Skye Marx was a troubled woman, joining Club Alpha Cove as a Club sub in hopes of forgetting what her family did to her years ago. To feel a sense of belonging. Yet, she was not satisfied. No Master she chose to play with captured her attention. At least, not fully because she selectively stayed away from the powerful Doms. After watching her, the BDSM King and club owner - Ruark, called her out and gave her an ultimatum. Skye could choose a Master he was satisfied with and remain a Club Alpha Cove sub or she would have to leave the club. He called Hagan Cullum and Sloan Forrester to oversee her punishment in another matter, but they had other ideas. Both were seasoned, commanding Senior Masters at the Club. She should have known Ruark would give her to them. From the beginning Hagan and Sloan made it clear who was in charge. Would their careers as Senior FBI Agents and the dangers associated destroy their one chance at happiness? Would Skye be able to overcome her fears and stay with them?
