

Cabin Bound: Part II (Rough Sex Erotica)

Warning: This 3300 word story contains scenes of graphic sexual nature and it is written for adults only(18+). Description: Morrene finds herself restrained and at the mercy of the mysterious owner of the cabin. He seems to know more about her than even she herself knows, just who is her captor and what does he want from her? Though Morrene is incredibly tired, her hunger is getting the better of her, not only for food, but for something else as well. Will she surrender to her appetites and be forever at the whim of the rough cabin owner? Excerpt: Patience Alainn. Theres no rush. No one will be coming for you. I made sure of that. He brought his tongue fully across her nipple, and she felt its wide, warm roughness like a wash over her tortured body. He began to circle the nipple with the tip of his tongue. The pointed edge traced circles in the thick paste there. Finally, he captured her breast in his mouth and sucked off what was left. She moaned as he did so, aware that the pressure she had felt yesterday was growing between her legs again. She wanted him to take her more even if he was still sore. He moved on to the other, employing the same tactics so that she arched and writhed under his motions. His hand was resting on her thigh and she lifted her hips, encouraging him to move it closer. Is there something you want Alainn? He chuckled as he sat up and began to caress her inner thigh, grazing her most sensitive area but never actually touching it. She whimpered and raised her hips again to try and get some release. The rope that still bound her there rubbed cruelly across her slit with each movement and provided little relief other than to tease further with the promise of her pussy being filled again. God how she wanted him to fill her again.
