

GOING HOME book one: FEVER THERAPY

Smart and tough, John Harper the farm boy from Morayshire is the perfect Bobby for the unforgiving streets of 1890s Edinburgh. Hes a family man showing great promise. If he offers commitment, Inspector Brodie will help open doors for him. But Harpers prodigious Hannah faces a future framed by inoperable cancer. In desperation he finds a way of saving her from illness ... but can he save her from scientific distortions and vested interests? Masterfully written with strong central characters and a lyrical flow, Dr H Macdonald. The ending of this novel is a triumph of tension and humour - it creeps up on the reader and brings together threads of the narrative brilliantly, leaving us wanting to read more of John Harper. EA Parsons.
